A 2000 calorie daily diet is used as the basis for general nutrition advice; however, individual calorie needs may vary. Additional nutritional information available upon request.

Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food-borne illness, especially if you have certain medical conditions.

We work with wheat-based flour and do not use a separate oven for our gluten-free crust. If you are highly sensitive to gluten, we encourage you to carefully consider your dining choices.
